

PROTECT YOUR INVESTMENT **NO-NONSENSE, LIFE OF THE HOME, TRANSFERABLE WARRANTY**

An Enfinity Lifetime roof consists of many parts. With the Enfinity Lifetime Roofing Protection Warranty, every Enfinity component of your total protection roofing system is covered by the no-nonsense, life of the home warranty. Including workmanship for as long as you own your home.

What Is Not Covered

1. Acts of God or any named event, such as hail, strong storms, winds, or gusts over the maximum wind speed listed in the warranty, ice damming above the area covered by ice & water shield or flashing, or snow or water infiltration through exhaust vents.
2. Damage caused by improper or inadequate roof ventilation or roof drainage, unvented attics, or enclosed roof rafter assemblies.
3. Damage caused by objects falling on your roof or foot traffic after installation.
4. American Remodeling Enterprises will not compensate for the removal and replacement of solar panels or other rooftop equipment.
5. Partial roof replacement. You need to replace the entire roof to qualify for the warranty we do not warranty partial roof replacements.
6. Commercial structures. Warranty will be 50 years on material & labor, 10 years on workmanship.
7. Any interior damage caused by roof failure is not covered under warranty.

Compensation

Under the terms of this warranty, compensation is at the discretion of American Remodeling Enterprises and may be arranged directly by American Remodeling Enterprises or issued in the form of a material credit or a cash settlement.

Claims Process & Right of Inspection

Warranty claims must be made within 30 days of discovering the problem. To fully validate your claim, we may ask that you provide, at your expense, pictures of the damage and samples for testing. You must do so to be eligible for coverage under this warranty. For claims or questions, call us at (888) 739-7339 or visit americanremodeling.net. If you repair or replace your Enfinity Roof System before American Remodeling Enterprises has made a determination on your claim, it may be denied. American Remodeling Enterprises shall have a reasonable time after receiving notification of a claim to inspect the roof. If requested, the owner shall provide American Remodeling Enterprises with reasonable access to the roof, during normal business hours, for the purpose of inspecting the roofing products.

Eligibility Requirements For This Warranty

1. Your roof must be installed by an American Remodeling Enterprises Certified Contractor.
2. Your Enfinity Roof System must cover the entire structure. Incomplete roofs installed on a portion of a building do not qualify.
3. Your Enfinity Roof System must be installed over a clean deck with all existing roofing material and debris removed including but not limited to drip edge, underlayment, shingles, ice & water shield etc. (Except the Tilcor Steel Roof, Standing Seam or Barn Steel).
4. All required flashings must be correctly installed.

Workmanship Terms

If, during the warranty period, your Enfinity Roofing System is found to have an application defect or application errors that cause leaks or materially affect your roof's performance, American Remodeling Enterprises will have your roof repaired or replaced, or will provide you with the replacement roofing products and issue compensation for the full reasonable cost of labor and other materials to repair or replace your roof, including needed accessories. Failure to install adequate ventilation is not considered an application error of your Enfinity Roofing System. Ventilation can be limited by the design and configuration of existing structures.

Note: For the first 2 years, if your claim arises out of an application error that is discovered or discoverable within the first 2 years after installation of your Enfinity Lifetime Roofing System, it is the obligation of the American Remodeling Enterprises certified contractor who installed the roof to make all necessary repairs. If your certified contractor is unable or unwilling to make the repairs, American Remodeling Enterprises will arrange to have your roof repaired.

American Remodeling Enterprises agrees to guarantee all materials against defects for as long as they remain part of the home. Warranty is transferable one time. We further guarantee the installation of the above. In the event of a service problem, there will be **no mileage, no labor, no material, no deductible charged to the homeowner.**
