

Siding Double Limited Lifetime Warranty

Thank you for your purchase of product(s) manufactured by Enfinity. We are committed to helping homeowners demand for high quality, low maintenance building materials. For more information about our complete line, please visit americanremodeling.net.

Effective Date: This warranty is in effect for all Products sold after 01/01/2019.

Terms:

Subject to the terms and conditions of this warranty, American Remodeling warrants to the Homeowner that its **Exterior Portfolio**® vinyl siding styles and accessories, not including SolarDefense™ color technology Products, (hereinafter referred to as the "Products") will be free of manufacturing defects in material and workmanship if installed according to full installation instructions, and will not rot, peel, flake, corrode, blister, split, chip, fade excessively or fade unevenly when exposed externally. While you own your home, this warranty will remain in effect for your lifetime. If you have transferred your house to another homeowner, see below. American Remodeling Enterprises reserves the right to discontinue, modify, or otherwise alter any of its Products, including color, without prior notice.

This warranty is made exclusively and specifically to the person(s) who both owns and continuously resides in the home on which the Products are installed (herein "Homeowner") if that person is the original purchaser of Enfinity covered under this warranty. This warranty is also made to a Homeowner who first purchases a newly constructed residence on which the Product is installed directly from the builder.

Where Enfinity is installed on a structure (i) not occupied exclusively by the homeowner (including his or her immediate family), (ii) used for income-producing purposes, or (iii) used in a public or semi-public application—such as, but not limited to, a condominium, apartment building, house of worship, school, medical facility, farming facility, government building, or hotel—the warranty is made solely to the original owner of the structure (or "Commercial Owner") and is limited as set forth in the section titled "Commercial Owner's Warranty" provided below.

If American Remodeling Enterprises determines, at its sole discretion, that its Product(s) have a manufacturing defect covered under the terms of this warranty, then American Remodeling will at its option, either (i) repair or replace the defective Product(s), including the cost of labor during the original warranty period, (2) pay for repair, replace the cost of labor, or (3) pay an amount equal to the original cost of installation. In the event of replacement or repair, the terms of the warranty applicable to the original Product shall apply to the replacement, regardless of whether the Product replaced was defective or not at the time of the replacement period. The remedy will be limited to the original Product for the length of the warranty period. Treated edges will be considered normal wear and tear to the Product.

Warranty Registration:

We recommend you to register your product, by visiting: americanremodeling.net.

The registration process is fast and easy. You will need to provide: name, address, date of installation, and the original proof of purchase for the product.

Transferability:

To transfer the warranty, please visit americanremodeling.net. You may use your same username and password if you have already registered your warranty. If not, you will be required to create an account. Failure to do so may result in the termination of any obligations on the part of American Remodeling.

Hail Coverage:

Hail is considered an abnormal weather condition. Any hail damage to your Product(s) should be claimed against and any applicable homeowner's insurance. In addition to the foregoing, any costs incurred not covered by applicable homeowner's insurance can be claimed upon application for warranty coverage and the payment of \$50 (Fifty US Dollars) for warranty servicing. This hail coverage shall only cover replacement material and never any labor to replace damaged pieces of product. Proof of insurance required.

Limitations:

Enfinity warranty does not provide protection against any damage caused by events beyond normal weathering conditions (defined below), including, but not limited to:

- Improper installation
- Misuse or negligence
- Failure to provide reasonable maintenance to prevent accumulation of dirt, mildew, staining materials, pollution, exposure to chemical products, or incompatible cleaners
- Alterations, like applying paints, coatings, stains, or varnishes
- Improper handling or storage
- Defects in the wall structure (materials or construction) on which Enfinity products are installed that cause failure, such as movement, cracking, or settling of the wall, foundation or building
- Deformation caused by high heat sources, including, but not limited to, grills, fire pits and reflections from foil sheathing, low-e glass windows, and low-e glass doors
- Damage caused by animals or insects
- Impact of foreign objects, hail, lightning, fire, hurricane, tornadoes, or other Acts of God
- Vandalism, intentional damage, riot, or insurrection

“Normal weathering” is defined as exposure to sunlight, atmosphere, and typical variations in temperatures that will cause any colored or painted surface to fade, darken, or acquire a surface accumulation of dirt or stains. The severity of these conditions does vary and are affected by geographic location, the property, and other local conditions over which American Remodeling has no control. American Remodeling shall determine, at its discretion, whether the siding is suffering from abnormal weathering (which is not covered by warranty). This conclusion shall be based on whether the Product(s) evidence a change in color in excess of the Hunter Units, as calculated according to ASTM D2244, as outlined in the chart herein. Product(s) must have been exposed to the same weathering conditions and not partially covered by other materials, such as shutters, awnings, porticos, or other materials. **PLEASE NOTE THAT THE HUSKET BROWN COLOR IS EXPLICITLY NOT WARRANTED FOR SIDEWALL APPLICATIONS.**
