

Cabinet Limited Lifetime Warranty

LIFETIME LIMITED WARRANTY NOT TRANSFERABLE

American Remodeling thanks you for selecting us for your cabinet needs.

American Remodeling's cabinet doors and drawer fronts are guaranteed for life against warpage and seven years against fading, discoloring, or delaminating when given reasonable care. American Remodeling's cabinet doors can be easily cleaned with mild soap and water. However, as with any quality product, certain precautions should be taken to preserve its value. Avoid the use of harsh chemicals such as lacquer thinner, bleach, cleansers containing solvents or abrasives, and avoid products that contain ammonia, toluene, or acetone. Avoid exposure to temperatures in excess of 185° F (85° C).

American Remodeling will provide to you, free of charge, the necessary material required. The replacement of new materials for those that may be defective may result in color variance in comparison to the originally installed laminates due to slight color or texture changes by laminate manufacturers and is not indicative of a defect. American Remodeling reserves the right to substitute such laminates as are then being manufactured and is only obligated to match color and quality with such products as it is manufacturing at the time of replacement. These items will be shipped to you as soon as possible after the problem is determined.

This warranty shall exclude all damage to American Remodeling doors and other products due to misuse, ordinary wear and tear, or neglect by the homeowner or others. Note that this warranty gives you, the customer, specific legal rights in addition to the rights you may have as governed by your own state law. This warranty is transferable once in the event the original customer sells the home at which this work was performed.

If you need warranty assistance, call (888) 739-7339 between 8:00 A.M. – 4:00 P.M. EST Monday–Friday, and American Remodeling will respond to your needs.
