THIS LIFETIME WARRANTY IS FULLY TRANSFERABLE

What this Warranty Covers

American Remodeling warrants that its panels, trim, and/or prepackaged kits will be free from manufacturing defects for the life of the product. This warranty applies to products installed by an American Remodeling factory-trained installer in accordance with the company's installation instructions and recommendations and not damaged due to misuse, abuse, or improper installation. This warranty is valid for the original purchaser and the original installation of these products in residential indoor applications and is transferable once to subsequent owners.

What this Warranty Does Not Cover

This warranty does not cover damage caused by improper cleaning or by the use of cleaning products not recommended by American Remodeling. It also does not cover variations in color that are inherent in several American Remodeling patterns or slight differences in tone from one batch to another. Costs associated with the installation or removal of American Remodeling products are not covered.

What American Remodeling Bath Systems Will Do

If a product covered by this warranty is found by American Remodeling, or one of its authorized representatives, to be defective in materials or workmanship, the company will repair or, at its option, replace the product with a similar panel or trim piece. American Remodeling reserves the right to decide whether to repair or replace the material under this warranty.
