

GETTING YOUR HOME READY

Preparation Checklist for a Smooth Installation

Thank you for choosing American Remodeling! To help your project go smoothly, please take a few minutes to prepare your home based on the type of service we'll be providing. Proper preparation helps keep your home safe and allows our crews to work efficiently.

PREPARATION BY SERVICE TYPE

Service Type	How to Prepare
☐ Roofing	Clear the driveway, move vehicles, and cover and secure attic items. Move lawn ornaments and flower pots 25 ft from house.
☐ Windows	Remove window treatments, clear window sills and move furniture 3 feet away from windows.
☐ Siding	Move patio furniture, grills, hoses and decorations away from all exterior walls.
☐ Bath Conversions	Remove personal items from the bathrooms tubs/showers. Remove floor mats from bathroom.
☐ Cabinet Refacing	Empty drawers, clear counter tops and store any valuables elsewhere.

QUESTIONS OR CONCERNS?

Your Project Manager will cover this during your Welcome Call or Final Measure. If you have questions, contact them directly or call our main office.
